

The MFHC Advantage

There are many advantages to becoming a patient at Monmouth Family Health Center.

As a patient you have access to the following benefits:

- Care from Board Certified and Board Eligible providers.
- 24/7 Coverage: Access and Communication.
- We follow the patient-centered model for continuity of care in a medical home.
- Access to specialists through our affiliation with Monmouth Medical Center Specialty Clinics.
- Same day sick appointments for adults and children during service hours.
- Discounted care for eligible patients through our Federal Sliding Fee Scale program
- Access to services such as Nutritional Counseling and Health Care Management organizations (HMOs).
- LCSW and other Behavioral Health services are integrated into our health center practice. We also provide referrals to local practices and organizations if the patient needs more extensive and long-term Behavioral Healthcare needs.
- A Multilingual Team: Monmouth Family Health center has staff fluent in Spanish and Portuguese, with other languages are available.
- We follow HRSA reporting guidelines for Uniform Data System (UDS) Resources. You may access this data on HRSA's Bureau of Primary Health Care website: <https://bphc.hrsa.gov/uds/datacenter.aspx?q=d&year=2015&state=NJ#glist>

***From your early years through your silver years,
Let our family take care of your family***
